

05.1000 Complaint and Grievance Process

05.1001 Complaint and Grievance Process. The System Administration and each Institution shall adopt a complaint and grievance procedure employees may use to contest employment decisions. The System Administration and each Institution shall adopt a policy to notify employees of the complaint and grievance procedure and publish the policy in its policy manual.

05.1002 Board of Regents. Except as specifically provided in these Regents Rules, the Board does not serve as an appellate body for individual employee grievances from employees.

Adopted: November 15, 2007

Effective: November 15, 2007

Revised:
