and Loans Payable

At August 31, 2015, the University of North Texas System (the "System") had the following debt obligations:

| Debt Description                       | Principal Balance | Interest Rate | Maturity Date |
|----------------------------------------|-------------------|---------------|---------------|
| University of North Texas System Bonds | \$100,000,000     | 3.50%         | 2020          |
| University of North Texas System Notes | \$50,000,000      | 4.00%         | 2018          |
| University of North Texas System Loans | \$20,000,000      | 5.00%         | 2015          |

The System's debt obligations are classified as long-term liabilities on the balance sheet. The System's debt obligations are classified as current liabilities on the balance sheet if they are due within one year of the balance sheet date.
